

Sinclair  
Broadcasting uses  
the public airwaves  
free of charge, and  
therefore should be  
serving the public  
interest. That is  
the law, which you  
are supposed to be  
enforcing.

Sinclair's decision  
to force their  
stations to air an  
anti-Kerry  
documentary days  
before the election  
is a clear example  
of the dangers of  
media consolidation,  
an issue that you  
have failed to  
address.

Media ownership  
rules should be  
strengthened, not  
weakened, and  
license renewal  
should not be an  
automatic process.

Thank you.
